

CHILDFREE BY CHOICE Women's Support Group

We live in a society that pretty much expects you are going to pro-create.

It's getting better, but we're not there yet on assumptions being made and The Questions getting asked: "Do you have kids?" (followed by) "Why not?" or "When are you going to?"

Facilitated by counselors Wendy Curtis and Erin Enzweiler, this group is for women of all ages who are childfree by choice.

Call, text or e-mail Wendy with questions or just to give a heads-up you're coming: 971-266-0631 or wendy@livegrowtransform.com
